Leongatha Listings

ONE could not have wished for better conditions than what we were blessed with at Moe last week.

It proved to be mixed fortunes for us however, with the honors for the day going to our reserves who have marched into the grand final.

After an even first quarter the boys really hit their straps in the middle stages of the game to open up a 32 point lead which the Gulls were unable to make any impression on.

The highlight of the game was the encouraging performance by Clive Salmon following his late inclusion in the side. Clive has made a remarkable recovery and proved what a great competitor he is by forcing his way into the team through sheer determination.

It was a fine team effort once again with every player contributing and the award winners were: Anthony Howard — Wil- lies Chook; Rod Murray — Clipit 'N' Snipit. Other good players were Ken Fleming, Clive Salmon, Bolge brothers, Terry Ginnane, Brad Wigney and Jeff Thomas etc, etc in a very even team performance.

In direct contrast to our reserves, the seniors

were very disappointing with a dismal, mediocre display. The Maroons out marked, outpaced and out thought us as they backed each other up to perfection to go on and score a well deserved 14 point victory.

At times some of our players appeared dispirited and almost disinterested. Brian Salmon played a great captain's game and it is a shame that his gutsy effort failed to inspire a few of his team mates. They say bad kicking is bad football and some of our atrocious shots for goal had to be seen to be believed.

After a particularly bad first half we were able to lift but not enough to overtake the classy Maroons. Award winners were: Brian Salmon — The shirt from R. E. Pease; Des Thorson — Sportsworld; Paul Goss — Hays' Goblet; Ian Salmon — Christines Haircare; John Lloyd — Hatherlys' Pizza; Peter Hanrahan — Willies Chook.

This week our seniors meet the Gulls. We all know just what they are capable of and are confident that self pride, along with a change of attitude, should ensure a much better team performance.

WARRAGUL

Warragul Writings

THIS club congratulates both the LVFL and the Churchill Football Club for a job well done in staging the first semi final.

Car parking was handled with ease, catering was well done and above all, the ground was in top condition.

The concept of the final series ticket, as promoted by LVFL secretary Joe Hutchison, has proved a success and has certainly increased the financial viability of the finals, with consequent benefits to all clubs in the league.

We were very happy with our win over the Tigers and were well served by Peter Risstrom, Tony Nott and Robert Ballingall. Fortunately for us, everyone clicked on the day and further, a couple of players who had been out of form over recent weeks really hit their straps.

We realise that if we are to match it with the Parrots in this weekend's knockout game, we will need to put in a similar effort.

The reserves could not get their game going against the Parrots and although they have had an excellent year, this weekend is their last chance to make the grand final and have their second successive crack at the title. Good players at Moe were Greg Davine, Geoff Nott and

Paul McGrath.

Last Sunday night, players of both our open age sides spent a quiet and pleasant early evening at the clubrooms and we thank the ladies who catered for this get together.

Coming social events are the vote count and the presentation night. The vote count will be held at the rooms on Sunday, September 23, the day after the LVFL grand final, commencing with the counting of the thirds at 10.30 am. A light luncheon will be served. The presentation night will be held at the Logan Park function room on Thursday, October 4, commencing at 7.30 pm.

Leongatha were very impressive in defeating us at Western Park early in the season and although they were down a little last week, one cannot avoid the fact that for many weeks they have been considered by most to be pennant favorites.

In the reserves, we will also have our work cut out as Traralgon were very impressive in defeating Bairnsdale last Saturday. However, Bairnsdale beat our reserves three weeks ago — results of football matches do not always conform to this type of logic but at least it is a guide against complacency.
