The victors...

GEOFF NOTT

Public servant. Solid, dependable backman who runs straight at the ball.

TREVOR SMITH

Public servant. "Twinkletoes". Beautiful mark and kick. Makes space on the wing for long kicks for goal.

MICHAEL VICK

Accountant. Never stops trying. Often found under the pack.

ANTHONY NOTT

Plumber. Fast, elusive, played most of his football as a rover. Now doing well in the back pocket.

IAN TWITE

Sportstore employee. Beautiful mark for his size. Often competes successfully against bigger opponents. Always a goer.

FRED DE RITER

Farmer. Rapid rise from West Gippsland Football League. Learning fast and acquitting himself well against more experienced opponents.

JOHN McNICHOLAS

Drainage contractor. Nicknamed "Super" because of his performances. A gentle giant. Has given the club a tremendous boost over the last two years.

PETER QUIRK

Builder. Quiet man of the side but very effective. Happy if he doesn't get a kick as long as his man doesn't.

TERRY KILDAY

Plumber. Out for more than half the season after a knee operation but has come back well to be a success at full forward.

SIMON HOGAN

Carpenter. Starting to realise tremendous schoolboy potential. Has had a recent bag of 10 goals. Likes it tough.

ROBERT BALLINGALL

Accountant. Mr Magic. Kicks well with either foot with pinpoint accuracy. Fastest player in the side.

SAND, MORRISON

Hospital employee. Darts in and out of packs and is fearless. Doesn't mind the wet, but fast enough in the dry.

IAN DUNN

Bridge builder. Was out for the last part of the season but has come back well. Plays in any position, often giving away height. Doesn't mind.

WARRAGUL PLAYER PROFILES

HOWARD CROPLEY

Student. Built like a match with the wood scraped off. Marks and kicks well and runs all day.

STEPHEN HODGE

Carpenter. Mainly fullback but has played centre half forward and ruck rover. Probably the hardest hitting member of the side. Beautiful mark and kick.

STEVE DUNKLEY

Esanda Finance officer. Came to the club from Footscray Reserves and has shown the benefit of VFL training. Marks and kicks straight. Big things expected of him.

MARK RIDGEWAY

Petrol company employee. Will of the wisp on the half forward flank. Has been damaging in the last half of the season.

PETER ROSS

Building company executive. With brother Alan the smallest member of the side. Fast and elusive wingman. Always seems to be by himself.

ALAN ROSS

Accountant. Light, but strong and dives in under packs. Beautiful handpass and can kick with both feet.

PETER RISSTROM

Student. Has the knack of being able to control the best opponents (centre half forwards) in the League. The most economical footballer in the Latrobe Valley. Never wastes or gives a kick.

CHRIS AYRES

Builder. Tough as nails, just starting to realise his full potential. Loves the hard going and is performing well.
